

2008 Green Awards Call for Nominations

Atlanta Business Chronicle is seeking nominations for its first-ever Green Awards. This special section will highlight the companies and individuals working to conserve metro Atlanta's natural resources, curb pollution, develop new products to serve our environment, support environmental projects and initiatives and spread the green word through marketing and education. The winners will be featured in the April 18 issue of Atlanta Business Chronicle.

To enter, please complete the following nomination form along with a narrative describing why the nominee is deserving of this award. You may submit more than one entry for a category, and you may submit an entry for more than one category.

The deadline to submit nominations is **Tuesday, February 26, 2008**. Entries must be received by this date in order to be considered for the awards. Please also include marketing brochures, photographs, newspaper clippings and any other information on the nomination you feel is applicable. (In addition to nominations, an Atlanta Business Chronicle editorial committee reserves the right to make its own nominations.)

Green Award Categories

Envisionary – This award is given to an individual who has made a truly outstanding and lasting impact through environmental awareness, advocacy and preservation efforts.

Green Reach – This award recognizes environmentally focused education and community outreach efforts that have had a significant impact on metro Atlanta.

Green Save Award – This award highlights outstanding and unique environmental conservation efforts in the metro area.

Invention – This award is given to a new product developed by an Atlanta company or individual that exhibits outstanding environmental or "green" benefits.

Innovation – This award highlights a marketing program that brings a new approach to spreading the word about environmental consciousness and demonstrates a clear impact.

Green Giving – This award recognizes a significant donation by a philanthropic or nonprofit organization to an outstanding environmental cause that has demonstrated a significant benefit to the environment.

Impact – This award recognizes an outstanding program or initiative that significantly curbs pollution in metro Atlanta.

2008 Green Awards
